

We are thrilled to announce the 2nd annual Bash at the Lake event that will take place at Clear Lake City Park on Friday and Saturday, August 9th and 10th. This family-friendly weekend will be filled with free live music and an array of activities for everyone to enjoy. There will be a variety of local vendors with opportunities to purchase food and band merchandise.

Last year's premiere event drew a crowd of around 6,700 people to Clear Lake City Park. Amid the positive feedback we received was the email below from Sarah who clearly articulated the reason we are passionate about hosting BATL and why we are inviting you to partner with our team:

*Words cannot describe how amazing and heartfelt Saturday was...I have felt this disconnect from God, from the church, from the community ever since the pandemic and other life related events. Recently, I have been feeling the call to seek God out again. So when I was at work one day and I stumbled on the ad in the Courier I knew God was showing me exactly where to start again. I just had this overwhelming feeling that I needed to be there. And truly God did show up in many ways! Not only did He show up in the music and the stories, but He showed up in the individuals. Getting to meet you and every volunteer at the event truly solidified that it is time to get connected and rekindle the passion I once had when I was younger.... I am very excited to see what this event will grow into in the many years to come! From the bottom of my heart THANK YOU!*

This year we are adding a special rap/hip-hop Friday evening that will feature 3 different artists intended to appeal to a younger population. Saturday will include a full line-up of 7 different artists / bands with a mix of local and internationally known artists. Emceeding this event will be Clear Lake native and social media star, Jacob Petersen along with his wife Julia. (See back of this letter for event line-up)

Bash at the Lake is made possible through dedicated volunteers from North Iowa businesses, churches, and organizations. We invite you to be a part of the excitement by sponsoring Bash at the Lake. Attached is the Sponsorship form. **Please note: to be included on the event poster, sponsorship will be due by June 1st and to be included on T-shirts, sponsorship will be due by July 1st.**

We appreciate your consideration of partnering with us!
