

Dear Friends,

We are excited to announce our 3rd Annual Bash at the Lake, a free, family-friendly event set to take place at Clear Lake City Park on Saturday, **August 9th**. The event will feature live music, a selection of local food vendors, and a variety of games and activities for everyone to enjoy.

Here are comments from a few of the 7700 individuals who attended last year, showing why we are passionate about hosting BATL and why we are inviting you to partner with our team:

*"It was such a good time with my kiddos. As a single mom there's not much I am able to do with them and this free event has become something that both my kids and myself look forward to!!"*

*"Inspirational & well done... 1st time visiting Clear Lake and we were taken with the people & community!"*

*"Beautiful location and great event. We were happy we made the drive from Oskaloosa to attend this event and hope to be back in 2025!"*

*"It's a great event, and I am very thankful for my supportive community and all those dedicated to make it happen."*

This year our BATL team has listened to feedback from our volunteers and attendees to refocus this year's event into a single streamlined day in the sun filled with Faith, Family, and Fun!

- Back by Popular Demand - Our team's very own **Adam Fredrick - Weather Guy Science**, with all new captivating experiments and information to WOW the crowd!
- Traveling all the way from Georgia, **KidzBlitz Ministries** will be bringing **FamBlitz** to BATL2025 - a super high-energy crowd participation event full of games, the Gospel and a good time for the whole family!
- **Presence Music Band** is a lively pop worship band from Duluth MN. What started as a group of area worship leaders banding together to play for youth camps, has blossomed into a professional Christian band that has performed all over the Midwest. Their latest single "Down in the River" has reached new heights being played on over 100 stations in 8 countries.
- Singer-songwriter from northwestern Washington, **Leanna Crawford**, has been writing, touring and singing with some of the biggest names in the Christian music industry. We are elated that Leanna and her band have accepted our invitation to come to Bash at the Lake as she launches her very first headline tour in 2025!

Bash at the Lake is made possible by the dedicated donors and volunteers from North Iowa businesses, churches, and other organizations. We would love for you to join in the excitement by sponsoring Bash at the Lake. Attached is the Sponsorship form. **(Please note: to be included on the event poster, sponsorship must be submitted by May 15th, and for inclusion on T-shirts, sponsorship is due by June 15th.)**

We appreciate your consideration of partnering with us to bring BATL2025 to Clear Lake!

With gratitude,  
The Bash at the Lake Team
